## Campus Regina Public 2019–2020 Course Offerings Current School: Legal Last Name:\_\_\_\_\_\_ Legal First:\_\_\_\_\_\_ Legal Middle:\_\_\_\_\_\_ Parent Signature: Prerequisites Confirmed Course fees are course specific and may vary between courses Advisory Teacher Course fees are payable to: Guidance Counsellor Campus Regina Public Note - \* classes require prerequisite Administrator Advanced Construction and Technology - Student Fees \$65 Advanced Construction Technology focuses on the investigation and development of a wide range of construction-related skills. In this course, students will explore many different trades. Students will gain experience building structures, drafting, design, layout, framing, exterior and interior finish, plumbing, mechanical and electrical. Students will have opportunities to develop skills and explore career pathways that may lead you to a future in commercial or residential construction. This course also explores the construction industries' technical and business processes. The Advanced Construction Technology program and Math courses provide students with the essential skills and experience needed for postsecondary construction programs, direct entry apprenticeship, and employment in the building trades. Semester 1 Semester 2 Construction 10 (4980) Construction 10 (4980) □ PAA 20A (6047) □ PAA 20A (6047) □ PAA 20B (6048) □ PAA 20B (6048) Construction 20 (6980) Construction 20 (6980) Construction 30 (8980) □ PAA 30A (8047) Construction 30 (8980) □ PAA 30A (8047) □ PAA 30B (8048) □ PAA 30B (8048) and and Math: Workplace and Apprenticeship 10 (4423) Math: Workplace and Apprenticeship 10 (4423) Math: Workplace and Apprenticeship 10 (4423) year long Math: Workplace and Apprenticeship 10 (4423) year long \*Math: Workplace and Apprenticeship 20 (6423) \*Math: Workplace and Apprenticeship 20 (6423) \*Math: Workplace and Apprenticeship 20 (6423) year long \*Math: Workplace and Apprenticeship 20 (6423) year long \*Math: Workplace and Apprenticeship 30 (8423) \*Math: Workplace and Apprenticeship 30 (8423) Auto Mechanics - Student Fees \$65 The fundamental aspect of a mechanic's work is basic vehicle maintenance. Students in Auto Mechanics will inspect, diagnose, and repair automobiles, trucks, vans and other modes of transportation. Auto Mechanics students will work with vehicular hardware (body, tires, parts) and software (electronics and onboard computers). Other routine tasks will include basic tune-ups, oil changes and lubrication. Semester 1 Semester 2 (4957) Mechanical & Automotive 10 (4957)Mechanical & Automotive 10 \*Mechanical & Automotive A20 (6957) \*Mechanical & Automotive A20 (6957) П \*Mechanical & Automotive B20 (6987) П \*Mechanical & Automotive B20 (6987) \*Mechanical & Automotive A30 (8957) \*Mechanical & Automotive A30 (8957) \*Mechanical & Automotive B30 (8987) \*Mechanical & Automotive B30 (8987) and and \*English 20 (6017) \*English 20 (6017) \*English A30 (8017) \*English A30 (8017) \*English B30 (8018) \*English B30 (8018) \*English 21 (6049) \*English 21 (6049) \*English A31 (8102) \*English A31 (8102) \*English B31 (8103) \*English B31 (8103)

Cosmetology – Student Fees \$65 Cosmetology is one of the fastest growing occupations in the personal care field. Cosmetologists improve their clients' physical appearance and educate clients on how to better care for themselves. As specialists in the area of skin, hair, and nail care, our Cosmetology students offer a variety of services that help clients look and feel their best. In order to prepare for the cosmetology business, students will learn the latest and best innovative techniques. Semester 1 Semester 2 Cosmetology 10 (4901) Cosmetology 10 (4901) \*Cosmetology 20 (6901) \*Cosmetology 20 (6901) \*Cosmetology 30 (8901) \*Cosmetology 30 (8901) and and \*English 20 (6017) \*English 20 (6017) \*English A30 (8017) \*English A30 (8017) \*English B30 (8018) \*English B30 (8018) \*English 21 (6049) \*English 21 (6049) \*English A31 (8102) \*English A31 (8102) \*English B31 (8103) \*English B31 (8103) П П Culinary Arts - Student Fees \$65 From the rustic markets to the urban malls, and from express concessions to five-star restaurants, food stations serve the world. Culinary Arts offers students the opportunity to experience all phases of food preparation and restaurant service. Culinary Arts serves the public while teaching high level service skills to students. Semester 1 Semester 2 Commercial Cooking 10 (4906) Commercial Cooking 10 (4906) \*Commercial Cooking 20 (6906) \*Commercial Cooking 20 (6906) \*Commercial Cooking 30 (8906) \*Commercial Cooking 30 (8906) Food Studies 10 (4858) Food Studies 10 (4858) Food Studies 30 (8858) Food Studies 30 (8858) and and \*English 20 (6017) \*English 20 (6017) \*English A30 (8017) \*English A30 (8017) \*English B30 (8018) \*English B30 (8018) \*English 21 (6049) \*English 21 (6049) \*Enalish A31 (8102) \*Enalish A31 (8102) \*English B31 (8103) \*English B31 (8103) Early Childhood Education - Student Fees \$60 Early Childhood Education is designed for those students pursuing an education degree or child care profession. In ECE you will be introduced to careers that involve working with children and youth. The ECE program provides you with general workplace skills, hands on training and the opportunity to attain a university education credit, which will prepare you for a variety of post-secondary disciplines. As well, this broad based approach will assist you in gaining employment in entry level child care positions Semester 1 Semester 2 Career and Work Exploration 20 Career and Work Exploration 20 (6994) (6994) Career and Work Exploration A30 (8994) Career and Work Exploration A30 (8994) Psychology 30 (8340) Psychology 30 (8340) and and \*English 20 (6017) \*English A30 (8017) \*English 20 (6017) \*English A30 (8017) \*English B30 (8018) \*English B30 (8018) \*English 21 (6049) \*English 21 (6049) \*English A31 (8102) \*English A31 (8102) \*English B31 (8103) \*English B31 (8103) Electrical & Electronics – Student Fees \$65 Interested in working with electricity? There are over 200 different jobs in the electrical field. Electrical & Electronics will help you understand more about the application of electricity, while real industry mentors will provide you with employable skills as you learn the process of electric services within your community. Learn about residential commercial and industrial wiring, motor control, automation, basic circuits and much more. Semester 1 Semester 2 Electrical 10 (4956)Electrical 10 (4956)(7121) (7121) \*Electrical 20 \*Electrical 20 \*Electrical A30 (9121) \*Electrical A30 (9121) \*Electrical B30 (9122) \*Electrical B30 (9122) and and Math: Workplace and Apprenticeship 10 (4423) Math: Workplace and Apprenticeship 10 (4423) Math: Workplace and Apprenticeship 10 (4423)year Math: Workplace and Apprenticeship 10 (4423)year long lona \*Math: Workplace and Apprenticeship 20 (6423) \*Math: Workplace and Apprenticeship 20 (6423) \*Math: Workplace and Apprenticeship 20 (6423)year \*Math: Workplace and Apprenticeship 20 (6423)year lona lona \*Math: Workplace and Apprenticeship 30 (8423) \*Math: Workplace and Apprenticeship 30 (8423) \*Math 21 (6439) \*Math 21 (6439)
